
Mission Statement

Purpose

This policy identifies the mission of Valley School District in carrying out its educational philosophy.

Scope

This policy applies to District administrators, staff, parents and students who work to implement the mission of the District, or are beneficiaries of it.

Policy

The mission of the Valley School District is to provide a positive educational experience which will assist all students in developing skills, competencies, and attitudes which are fundamental to being a contributing and responsible citizen.

The school promotes effective schools by: 1) insuring that student acquisition of the basic educational skills takes priority over other school activities; 2) providing appropriate facilities and a staff with high expectations that will encourage students to reach their highest levels of achievement; and 3) encouraging family and community involvement in the educational process.
