

Emergency Expulsion

Purpose

This policy defines the terms of an emergency expulsion.

Scope

This policy applies to the Superintendent, Principal, Administrators, the Board of Directors, teachers and any Valley School District staff member assisting in the process of an emergency expulsion.

Policy

1. A student may be excluded from school prior to a hearing if the Superintendent or his designee reasonably believes the pupil is in immediate and continuing danger to himself, other pupils, teachers, school administrators, or the educational process of the school district. Such emergency expulsion shall continue until the pupil is reinstated by the suspending authority or until a fair hearing is held and a final determination reached. Such an emergency expulsion shall be stayed whether or not an appeal is made to the Board of Directors, unless the hearing officer hearing the case shall find that the student continues to present an immediate and continuing danger to himself, other pupils, teachers, school administrators, or the educational process of the school district.
2. The provisions governing notice and hearing of long term suspension or expulsion shall apply except:
 - (a) Written notice of the emergency expulsion shall be sent by certified mail within 24 hours of the expulsion.
 - (b) The parents shall have ten (10) school business days after receipt of the notice during which to request a hearing.
 - (c) The hearing officer shall render the decision within one school business day after the conclusion of the hearing.
