

## **Instruction in Basic Skills and Work Skills**

### **Purpose**

This policy requires compliance with course requirements established in the law and the development of related procedures for verifying compliance.

### **Scope**

This policy applies to the Superintendent.

### **Policy**

In order to assure compliance with the basic skills, work skills, and course requirements of WAC 180-16-200, the Superintendent shall implement procedures for verifying compliance each school year, as well as monitoring continuing compliance throughout the year. The procedures shall provide for reviewing the elementary curriculum and hours of attendance annually to assure its continued compliance with the state requirements.
