
Pesticide Notification, Posting and Record Keeping

Purpose

The purpose of this policy is to ensure that the District complies with the requirements of law regarding pesticide notification, posting and record keeping.

Scope

The target audience for this policy includes: students, staff, parents, local community members, and visitors.

Policy

The Superintendent is directed to develop procedures to assure that the District complies with the requirements of law regarding pesticide notification, posting and record keeping. This includes procedures for the annual notification of staff and parents of the District's pest control policies and methods; pre-notification of staff and parents of pesticide applications; posting of sites of pesticide applications; and record keeping, including an annual summary report of pesticide usage.
